

Chapter 3. Global and Local Change: The End of Stationarity

1. Climate Change
 - 1.1. Theory and Prediction
 - 1.2. Observation
 - 1.3. Indirect Effects
2. Land-Use Change
 - 2.1. Deforestation: Watershed Effects
 - 2.2. Deforestation: Impacts on Precipitation
 - 2.3. Managing Forests for Water Supply
 - 2.4. Desertification
 - 2.5. Urbanization
3. Managing Change
